AFTER SCHOOL ENRICHMENT CLASS SCHOLARSHIP APPLICATION

We realize that the cost of some after school enrichment classes can sometimes be higher than some families are able to afford. As a school, however, we believe that these extra-curricular activities provide a valuable hands-on learning experience for children and can often bring learning to life and enhance a child's educational experience.

With the generous support of our Carnation PTSA, who helps by providing a limited amount of funding for our after school enrichment program each year, we are able to sponsor a limited number of scholarships for Carnation students each year.

Unfortunately, we are unable to meet every request which comes in for the entire school year. Therefore, we ask parents to help out with the costs by doing one of the following:

- (1) Pay a portion of the class costs upfront (whatever your family can afford at the time) and then request a scholarship to cover the remainder.
- (2) Divide the total amount into smaller amounts, making several payments until the full amount is paid.
- (3) Request that the full amount be paid (typically available one time per year/per child, depending on funding) as it is impossible for your family to pay anything at all.

We appreciate your understanding and we are more than willing to help you with your request. All requests are kept confidential with school and/or office personnel. Please call Mr. Poage @ 425-844-4553, if you have further questions.

Please indicate below how you would like to handle your request and return it to the school office.

- I can pay \$ _____ of the total amount toward my child's class, but ask for a scholarship of _____ to pay the remainder.
- I can pay \$ _____ per week/month until the total amount is paid off.
- I am unable to pay any of the class tuition at this time and request full funding (Typically available one time per year/per child, depending on funding).
