FIELD TRIP SCHOLARSHIP APPLICATION

We realize that the cost of some field trips combined with the bus transportation costs can sometimes make the amount higher than some families are able to afford. As a school, however, we believe that curriculum related educational field trips do provide a valuable hands-on learning experience for children and can often bring learning to life more than just reading or learning about it in the classroom.

With the generous support of our Carnation PTSA, who helps by providing a limited amount of funding for school field trip assistance each year, as well as other grant money for our school, we are able to sponsor a limited amount of field trip assistance for students each year.

Unfortunately, we are unable to meet every request which comes in for the entire school year. Therefore, we ask parents to help out with the field trip costs by doing one of the following:

- (1) Pay a portion of the field trip costs upfront (whatever your family can afford at the time) and then request the Field Trip Scholarship to cover the remainder.
- (2) Divide the total amount into smaller amounts, making several payments until the full amount is paid.
- (3) Request that the full amount be paid (typically available one time per year per child, depending on funding) as it is impossible for your family to pay anything at all.

We appreciate your understanding and we are more than willing to help you with your request. All requests are kept confidential with school and/or office personnel. Please call Mr. Poage @ 425-844-4553, if you have further questions.

Please indicate below how you would like to handle your request and return it to the school office.

- I can pay \$_____ of the total amount toward my child's field trip, but ask the Field Trip Assistance Fund to pay the remainder.
- I can pay \$_____ per week/month until the total amount is paid off.
- I am unable to pay any of the field trip at this time and request full funding (Typically available one time per year per child, depending on funding).
